Your Wedding Day

Your Wedding Day is one of the most special days in your life together. Henley Golf & Country Club is the perfect venue for this memorable occasion.

Set within the grounds of a 200 acre estate of landscaped parkland, in the heart of the Warwickshire countryside, Henley Golf & Country Club provides a very special and magical setting for your guests to enjoy your Wedding celebration.

Wonderful open views of the countryside and orchard can be enjoyed from the Wedding Suites and the Private Beaudesert Garden ~ these provide a beautiful setting for your photographs.

We have a choice of two Wedding Suites. **The Balcony Suite** (1st floor) boasts panoramic views and is suitable for more intimate gatherings of up to 60 guests. **The Beaudesert Suite & Lounge** (ground floor) is a beautiful airy space which can comfortably entertain up to 200 guests.

We pride ourselves in our attention to detail and personal service which combine to ensure that your Wedding day is a truly, unique and romantic occasion.

The nearby 30 bedroom Best Western Henley Hotel, which we have recently acquired, offers a warm welcome along with clean and fresh accommodation at a reasonable price.

There is a **complimentary shuttle service** between the 2 venues on the day of the wedding – you simply let us know in advance when you will require it and we will arrange it all for you.

This covers all dates other than Saturdays in May to August.

Both packages offer excellent value for money and include everything you will need from your venue including Room Hire, the Wedding Breakfast, Evening Buffet and the Drinks Package. We have even gone just that little bit further and included some nice extras for example **Chair Covers & Sashes**, Table Plan, Menus & Place Names.

Wedding Etiquette & Tradition

The Top Table

The Top Table seating arrangement, facing your guests, is traditionally, from left to right, as below.

Chief	Groom's	Bride's	Groom	Bride	Bride's	Groom's	Best
Bridesmaid	Father	Mother			Father	Mother	Man

The Speeches

The first toast is made by the Bride's father, on behalf of the Bride's parents and is usually a light-hearted collection of family memories. It also includes the toast to the Bride & Groom.

The Groom responds to this toast on behalf of the happy couple, together with making a second toast to the Bridesmaids. The Groom's speech includes giving thanks to all guests and those involved with the Wedding and giving gifts where appropriate.

The Best Man responds to the Groom's speech on behalf of the Bridesmaids and reads messages from any guests unable to attend the wedding. He traditionally tells stories of his friendship with the Groom and observations of the happy couple together.

The First Dance

The Bride & Groom take to the dance floor for their first dance as Man and Wife. This would traditionally begin the party atmosphere of the evening reception.
