GOLF CLUB NETWORK

**One Membership at Henley Golf and Country Club –
Play Twenty Seven Golf Clubs**

Henley Golf and Country Club is proud to be part of the Golf Club Network.

All full members are entitled to free golf at all other Golf Club Network Clubs.

The Golf Club Network was founded in 1995 when a group of like-minded independent golf clubs combined forces to provide reciprocal playing rights to all of their members. The principle benefit for members of any other Golf Network Clubs is to be able to play free midweek golf at any of the other Golf Club Network Clubs, with reduced guest fees payable at weekends.

The Golf Club Network gives both golf clubs and members the opportunity to take advantage of being part of a growing network of clubs across England. The interest from new clubs to join the network continues to grow giving members an even wider variety of enjoyable courses to choose from as a direct benefit of their membership.

Please refer to the page of participating clubs to see details of all the clubs belonging to the Golf Club Network.

Members will need to purchase a Network Card prior to visiting a club (One off administration charge of £10.00 - photo required).
